

**Roxul Inc.** is a leading manufacturer and marketer of stone wool insulation products in the North American marketplace with our head office in Milton and production facilities in both Milton, ON and Grand Forks, BC. Our expanding company is a subsidiary of Rockwool International, manufacturing quality, high performance stone wool products. We are searching for talented, energetic individuals with drive and determination to join us at our **Milton** facility.

## **GENERAL OPERATORS**

We are looking to fill several temporary positions to run our production line. We are a continuous process operation running on rotating continental shifts. You have industrial or manufacturing experience, are familiar with safe work practices, and have experience with troubleshooting equipment. Able to meet physical requirements including lifting and stacking, you have a grade 12 certificate or the equivalent along with the ability to read, write, and speak English. Experience working with computer screens and PLC controls is an asset. **All positions require a willingness to work on rotating 12-hour continental shifts and weekend work.**

These are unique opportunities to join a highly-developed technical organization as we expand in North America. We offer a dynamic environment with significant growth potential and have an excellent benefits and remuneration package. If you feel you meet the above requirements, please apply to **(quote 'GenOp-Milton' in Subject line)**:
